Iowa Law Enforcement Academy Audiovisual Equipment Fund

Purpose and History

Iowa Code section [80B.15](#) requires the Iowa Law Enforcement Academy (ILEA) to assess a fee for the use of the law enforcement media resources supplied or loaned by ILEA. The fees are established by administrative rule and are considered a repayment of receipts. The majority of the materials in the library are available online.

In addition, Iowa Code section [80B.16](#) permits ILEA to charge State departments, independent agencies, and other governmental offices a fee to cover the actual costs, including the cost of equipment, production, and duplication, for audiovisual services provided by ILEA. Fees are deposited in a separate fund known as the Audiovisual Equipment Fund. Moneys in this Fund are to be used by ILEA to maintain and upgrade ILEA audiovisual equipment, and do not revert to the State General Fund, but rather are permitted to carry forward to the next fiscal year. The fee structure is set in the ILEA administrative policy.
